... Change ... it is described in the passing of the seasons of our lives ... it is not cause for anxiety but anticipation ... the opening of each new season brings with it, a certain wonderment so it should with each steps in our lives ... it is simple, accepted process ... what is important will remain ... "what is springtime after all, but only the other side of fall."

— Rod McKuen

We, the class of 1982, dedicate this yearbook in loving memory of Ann McMahon.

Home-Coming

When I stepped homeward to my hill
  Dusk went before with quiet tread;
The bare laced branches of the trees
  Were as a mist about its head.

Upon its leaf brown breast, the rocks
  Like great grey sheep lay silent-wise;
Between the birch trees gleaming arms
  The faint stars tremble in the skies

The white brook met me half-way up
  And laughed as one that knew me well,
To whose more clear than crystal voice
  The frost had joined a crystal spell.

The skies lay like pale watered deep.
  Dusk ran before me to its strand
And cloudily leaned forth to touch
  The moon's slow wonder with her hand.

– Leonie Adams

Yesterday
a child came out
to wander, caught a
dragon flie inside a jar
fearful when the sky
was full of thunder and
tearful at the falling
of a star?

And the seasons they go round and round and the painted ponies go up and down We're captive on a carosel of time

We can't return we can only look behind from where we came and go round and round and round in the circle game

BENTLEY

Now a child
goes ten times round
the seasons skated over
ten clear frozen streams
words like when you're
older must appease her
and promises will some
day make up her
dreams

PED

Sixteen Springs
and sixteen Summers
gone now, cartwheels turn
to cartwheels through the
town And they tell her take
your time, it won't be long now
till you drag your feet to
slow the circle's
down

Lite

So the years spin by and now the girl is twenty. though her dreams have lost some grandeur coming true. They'll be new dreams maybe better dreams and plenty before the last revolving year is through

And the seasons
they go round and round
and the painted ponies
go up and down
We're captive on a carosel
of time.
We can't return
we can only look
behind from where
we came
and go round and round
and round in the Circle Game.

"...AND THE SEASONS, THEY GO ROUND AND ROUND AND THE PAINTED PONIES GO UP AND DOWN..."

Administration and Faculty

The Class of 1982 wishes to extend to you, Sister Therese Higgins, our deepest gratitude for your unrelenting guidance and concern for us over the past four years. From your welcoming words to us as freshmen to your worldly advice to us as seniors, you have always spoken with honesty and conviction. For this we regard you with much respect and affection. We have recognized your unceasing efforts to improve and update the standards of Regis College and we are most appreciative. We are also thankful for the faith in us you have expressed. This faith has helped us to develop confidence in ourselves. With such self-assurance we are well-prepared to meet the challenges that await us. Through our actions, as educated women, we hope to only bring honor to the Regis College community which has been so generous to us. Sister, we are forever grateful. Thank you.

Sincerely,
The Class of 1982

Research Center

The mission of the Campus Ministry is to oversee the spiritual well-being of the Regis community. Father James Flynn and Mrs. Barbara O'Brien Miller are the leaders of this group. They fulfill their organization's objectives through not only liturgical services, but also by discussion groups of diverse topics which are conducted in the residence halls. The office also offers itself to the campus as a counseling center, welcoming all those individuals who seek a reassuring voice in a time of personal distress.

You never really leave the peoples and places you love, part of them goes with you, leaving a part of you behind.

The best part of one's life consists of his friendships.

Whenever friends remember, they bring the good times back

What made us friends in the long ago when
first we met?
Well I think I know, the best in me and the
best in you, hailed each other because they knew
that always and always since life began,
our being friends was part of God's plan.
~George Webster Douglas~

Never shall I forget the days I spent with you... Continue to be thy friend as you will always find me yours.
-Ludwig van Beethoven

We must gather up all our courage
Sail our ships out on the open sea
Cast away our fears and the years
will come and go,
and take us up – always up
So I wanna laugh while the laughing
is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want to spend it with
you
'Cause you make me feel like I'm
more than a friend
We may never pass this way again
We may never pass this way again
We may never pass this
way again....
– Seals and Croft

"... AND THE SEASONS THEY GO ROUND AND ROUND AND THE PAINTED PONIES GO UP AND DOWN..."

Athletics

For the Class of 1982 the completion and the opening of the new athletic facility holds special significance. As we began our education here at Regis in 1978 we also undertook the mutual task of making the dream of a sports facility we could be proud of a reality. In our four years here at Regis we have not only come to realize the value of an education but also the value of working cooperatively towards the attainment of a common goal.

As we graduate we will be rewarded with more than a degree, we will take with us the knowledge that a dream is nothing more than a reality in need of effort and faith. This is a lesson which escapes the realm of all textbooks. Truly, we, the Class of 1982 are carrying away within ourselves a 'New Dimension.'

Most assuredly, the date November 21, 1981 will occupy a place of prominence the history of Regis College, for it marked the opening of the new three million dollar athletic facility. Anxious with growing anticipation, this day found the atmosphere of the Regis community to be electric. Sister Therese Higgins and Ellen Beaumont, SGA President, addressed an audience of trustees, faculty, parents, and students. The excitement of the day was captured in the enthusiastic support displayed at the first annual Regis College Sports Invitational which was also an important part of this grand opening day. The performances of the basketball, cross-country, and swim teams proudly demonstrated the athletic potential of Regis sports. Under the skillful guidance of Athletic Director David Cowens and his dedicated staff, this athletic facility will further encourage the development of the women of Regis.

PARENTS

October 3 & 4 marked the dates of Parent's Weekend this year. The traditional celebration invites parents to join their daughters for events held on the Regis campus. Among these events is the Annual Parent's Weekend Dinner Dance which took place on October 3, 1981. The setting was the multi-purpose room of the Student Union. The festive evening consisted of an enjoyable dinner and dancing to music of a live band. Parents and students alike displayed much enjoyment and enthusiasm for this entertaining event.

WEEKEND

The Cap and Gown ceremony is a traditional event at Regis. It is the official investiture of the senior class. The event entails the celebration of Mass which at its conclusion each senior individually approaches the altar where faculty sponsors help each student put on the garb. The sponsors were S. Cecilia Agnes Mulrennan, S. Mary Oates, S. Jeanne d'Arc O'Hare, and Dr. Warren Gribbons. This year S. Therese Higgins spoke to the Seniors about the historical significance of the gown and mortar board. Senior Class President, Erin Gorman addressed her classmates with a memorable speech which stressed the individuality women possess.

200 DAYS

On November 7, 1981 the Senior Class held its 200 Days Party to mark the time until graduation day. The atmosphere exploded with good music, dancing, and fun.

Friendship defies age
and ignores distance.
It weathers the hard times
and shares the good.
Together we have found this.
Our friendship has provided
acceptance
and understanding in a world
that pushes people apart.
But I will always remain
with the memories
of the times we have shared
knowing how fortunate I am
to be able to call you my friend.

HALLOWEEN

MOTHER DAUGHTER

The Ninth Annual Mother-Daughter Banquet was held on November 14, 1981 at the Chateau de Ville in Framingham, Massachusetts. Ethel Sullivan, senior class treasurer, warmly greeted everyone and introduced the president of Regis, Sister Therese Higgins. Sister Therese, whose mother was also present led the group in grace before the meal began. Other distinguished guests included Sister Zita Fleming, the Dean of Students and Sister Helen Sullivan, the Assistant Dean of Students. Frank Avruch, the host of WCVB's television show. "The Great Entertainment" delighted the crowd with film clips and trivia of the era of Crawford, Garbo, and Gable. The evening was unanimously enjoyed.

CHRISTMAS

On November 20, 1981 the Student Government Association sponsored a Beach Party. This tropical affair offered all beach-combers the chance to dress in warm weather garb and dance to the summery sounds of Rocky Road. This final heatwave of 1981 was a huge success, leaving not so much as one sunburned nose in the whole crowd of sun-worshippers.

TOWER TAVERN

One of the largest and most active groups on campus is the Tower Tavern Committee. This group is responsible for the running of the popular meeting place at Regis known as Tower Tavern or T.T. . Each Thursday evening T.T. opens its doors to college students from the surrounding schools while friday afternoons are reserved Happy Hour and wide screen television viewing. During the year, the Tower Tavern Committee sponsors celebrations such as the annual Halloween Party and sing-a-longs with visiting performers.

We feel that the 1982 yearbook has captured the times and traditions of our Regis community. It symbolizes a collection of memories that will be held in our hearts forever.

~Rhapsody~
I am glad all along for the
gift of song; For the time
and change and sorrow;
For the sunset wings and
world end things which
hang on the edge of tomorrow
I am glad for my heart
whose gates apart are the
entrance place of wonders,
Where dreams come in from
the rush and din like
sheep from the rains and
thunders.

If our friendships depend on things like space and time, then if we overcome space and time we destroy our own brotherhood. But... overcome space, and all we have left is here, overcome time and all we have left is now. And... in the middle of here and now, don't you think we might see eachother once or twice?

A true friend you are and always will be. But your leaving me soon, and going your own way. Perhaps we will meet in the future someday. You've left me with memories of good times we've had to treasure forever and make me feel glad. I wish you good luck in a that you do. Farewell now, my friend and please may you find. Some thoughts of me always in your mind. ~ Anonymous ~

GRADUATION

Faces of old and faces of new, people we know and people we knew. Growing together and drifting apart always on ending and now a new start. At graduation we all grow nearer and all our friends seem so much dearer. And as we say our final good bye one last embrace and one more cry. A "keep in touch" and a "promise I will" a "remember when" but better still a place in my heart you'll always stay. This is what's said as we go our own way.

~Andrea Redlon

The circle game

Yesterday a child came out to wander caught a dragonfly inside a jar, fearful when the sky was full of thunder and tearful at the falling of a star.

And the seasons they go round and round, and the painted ponies go up and down we're captive on a carousel of time, we can't return we can only look behind from where we came and go round and round and round in the circle game.

Now the child goes ten times round the seasons, skated over ten clear frozen streams, words like when you're older must appease him and promises will some day make up his dreams.

Sixteen springs and sixteen summers gone now, cartwheels turn to cartwheels through the town and they tell him take your time, it won't be long now til you drag your feet to slow the circle's down.

Now the years spin by and now the boy is twenty though his dreams have lost some splendour coming true. There'll be new dreams maybe better dreams and plenty before the last revolving year is through.

—Joni Mitchell
